

THINGS TO REMIND THE CHILDREN OF BEFORE COOLSPORTZ HOLIDAY CLUB

Please spend some time before attending the holiday club to run through the following points with your child/children:

Things may be a bit different but staff at the holiday club will still be the same and we will still care for you and keep you safe.

You will need to keep your distance from each other and staff wherever possible and where you asked to.

You won't be able to give each other hugs but you can smile a lot and give a thumbs up.

You may not always be able to do activities with our friends/siblings

You will be eating outside where possible.

Your families will help us to remember the things that we need to bring with you this includes:

Clothes - Freshly laundered suitable clothing and a coat are worn each day

Lunch - This will be a lunch box and water bottle (no nuts)

You will not need anything else. Your bags will stay at home.

Just before you leave the house, you need to wash your hands, using soap and warm water.
