

INFORMATION FOR PARENTS:

COOLSPORTZ COVID 19 PLAN, PROCEDURES AND REGULATIONS

The following information outlines Coolsportz holiday club's plan, procedures and regulations to meet the current government's guidance to keep everyone safe. This document is supported by a fully completed risk assessment in line with UK Active's guidance the sector specialist organisation for children activity providers.

We will continuously be reviewing the guidance released by the UK Active, Government and Public Health England and our policies and practices may change in line with this over the coming days/weeks so we thank you in advance for your patience and understanding whilst we adjust the way we all work and play. The safety of our staff, children and their families is our priority so please support us in respecting the guidance set out here.

BOOKINGS & RATIOS

The club will be open for children aged 5 – 12yrs only.

Children can only be booked onto all 3 days in a row during the holiday club to comply with government guidelines and to maintain the holiday club bubble of 15 children (plus two coaches) for subsequent days.

Unless any unforeseen circumstances the same two members of staff will work all week.

During the activities where possible groups (max 15) will split into two and delivery will be carried out in smaller separate groups (where possible age ranges and abilities will be matched).

Activities will be carried out outdoors where possible, so please provide appropriate clothing.

If children in the same group are of differing ages, we will adapt activities accordingly.

All equipment will be appropriately cleaned at the end of the day.

CANCELLATION

Registration of your place is not transferable or refundable

REGISTRATION AREA/ ARRIVAL & PARKING

Drop off is between 9am - 9.15am and pick up is 12pm – 12.15pm

We are asking all parents/carers to ensure that children follow NHS guidelines and wash their hands for 20 seconds with soap before coming to the holiday club. Parents/Carers are asked to wear a face mask at drop off and pick up as per Warwickshire schools guidance

Hand Sanitiser will be used before your child/ren enter the club during registration.

When arriving please wait in clearly marked 2m spacing markings on the floor (yellow feet) walking through gates

If at all possible, please walk or cycle to the club. If this is not possible please park on residential roads around the estate, however, please do not park between the corner of Castle Road and school and do not park on Castle Road directly in front of the two new houses as these homes have sold and the new residents will be moving in shortly. Please continue to observe the suggested one way system of entering the estate down Arden Road and exiting the estate via Mount Road and Meadow Road to come out at the top of Arden Road near the Warwick Road junction.

During signing in and signing out we will let one parent/guardian/carer come to the registration point at a time. They will state the child's/children's name/s and on pick up, if necessary, they will provide the pick up code and then the child/children will be released to the parent/guardian.

Please remember to leave the site straight away and make our way home safely

GENERAL

Coolsportz will commit to the wellbeing of their staff and customers, and if they show/have any signs of COVID-19 (temperature, cough and difficulty breathing), they will be sent home to follow Government regulations

Coolsportz will comply with any health designation documentation that the Government implements.

Hand sanitisers and hand washing facilities will be on offer (or children & staff members will be directed to where they can clean their hands).

Coolsportz will ensure that where possible social distancing is encouraged.

Face masks will not be used for staff unless for first aid is required.

Each day Children will all be informed/reminded of the rules and guidance around social distancing and the new activity protocol, if there are any issues with a child/children deliberately not adhering Coolsportz will inform the parents/carers/guardians of this and follow their behaviour policy protocol.

Where safe to do so we will prop doors open, (bearing in mind fire safety and safeguarding), to limit use of door handles and aid ventilation

If a child is classed as extremely vulnerable and or/are shielding they should not be attending the sessions as a matter of safety.

CLEANING

There will be a cleaning procedure carried out throughout each day of delivery especially for high contact points e.g. door handles.

All facilities will be cleaned on a daily basis.

If there is a COVID-19 case in the facility, Coolsportz will follow the PHE Guidance – COVID-19 – Cleaning in non-healthcare settings while cleaning all areas of the facility

.

TOILETS

Only one child will be sent to the toilet at a time where possible. Toilet passes will be avoided where possible and all children will be encouraged to wash their hands thoroughly.

We will use one set of toilets throughout the whole day for the children & a separate one for the staff

Disposable paper towels will be used to ensure hands are dried effectively and disposed of in a pedal bin to reduce transmission risk.

OUTDOOR ACTIVITY

Where possible staff will try not to directly touch children's items and if they do need to touch an item IE opening a water bottle they will clean their hands before and afterwards immediately.

Children will be able to refill their water bottles however, they will be encouraged to do this themselves where possible.

INDOOR AREAS

Social distancing guidelines will be followed

Where possible, windows and doors will be open to aid ventilation

LUNCH & SNACK

Before lunch & Snack, every child will wash their hands, be seated at a 2m distance while eating and if lunch tables used the children will leave one space between each seat.

No sharing of food/drink is allowed.

FIRST AID

PPE equipment will be used where necessary for first aid and in particular for a child that is showing symptoms common to Covid-19 e.g. high temperature, persistent cough and/or loss of taste and smell.

If any medicine needs administering Parents/guardians must liaise with the manager to discuss how this can be administered safely to reduce risk of transmission of Covid-19.

COVID 19 ILLNESS

If anyone becomes unwell with a new, persistent cough, loss or change of taste and smell or a high temperature, they will be sent home and advised to follow the COVID-19: guidance for households with possible coronavirus infection guidance.

If a child is suspected to be ill and is awaiting collection, they will be moved, if possible, to a room where they can be isolated behind a closed door, depending on the age of the child and with appropriate adult supervision if required. Ideally, a window will be opened for ventilation. If it is not possible to isolate them, we will move them to an area which is at least 2 metres away from other people.

If they need to go to the bathroom while waiting to be collected, they will use a separate bathroom if possible. The bathroom will be cleaned and disinfected using standard cleaning products before being used by anyone else.

Where the child or staff member tests positive, the rest of the group will be sent home and advised to self-isolate for 14 days. (1. Department for Education 2020 - Coronavirus COVID-19: implementing protective measures in education and childcare settings)

Coolsportz will also follow advice of the NHS Test and Trace service and will follow NHS guidance regarding isolation of other children and staff who have been in close contact with that individual.

CLOSURE OF THE CLUB

If a child or staff member tests positive that bubble will be cancelled.

If any government guidance or advice changes and the club has to be cancelled a refund will be given.
