- d) ensure that the needs of junior members are provided for through specific programmes, designated facilities, and safe practice
- e) have procedures in place to address poor practice, and to help any young person who appears to be at risk, or who appears to be the victim of abuse
- f) offer help and support when a child or young person tells us that they are affected by these issues
- g) take steps to ensure that any volunteers or professionals working with children are suitable to do so, through the use of references and background checks
- h) ensure that all relevant people have been vetted and approved through the LTA's Criminal Record Bureau disclosure process
